"Liz did an amazing job representing me when I bought my house back in July. Being a first time home buyer, I had a lot of questions and concerns and she was very responsive, patient, and professional throughout the whole process! I was focusing on a house that already had an offer, and she was able to get my offer in and close the deal on the house in very short time! Liz is very personal and energetic which made the process fun and she was always very quick to answer phone calls and emails. Overall I was extremely happy with her service. I cant thank Liz enough and I would highly recommend Red Door Real Estate and particularly Liz"

PROFILE

I began helping clients buy & sell real estate in 2013 when I first became a licensed real estate salesperson. Because I value continuous improvement, I became an Associate Broker and later the Office Manager of our very busy brokerage. My pride & passion is helping clients achieve the dream of home ownership. My commitment to you is that I will represent you with honesty, a positive attitude and a warm smile.
