RENEE'S BIO

I am a super happy person and I credit my achievements to building meaningful and deep connections while living my mantra that I can always do better. I transacted my first real estate sale in 2006. The moment that I saw the pride of home ownership on my clients face is when I knew that real estate was to be my lifelong journey.

My desire to bring delight into every transaction inspired me to leave the large corporate brokerages to form my very own boutique agency.

Red Door Real Estate of Western New York was born in 2012 and quickly became the fastest growing women owned brokerage in WNY, representing key transactions such as the 18-unit Spring St, Niagara Falls property, the Grand Island Motel & a strategic partnered transaction with Ciminelli Real Estate Corporation.

In 2019 I launched a passion-project to provide affordable home ownership opportunities to families in communities that were typically under represented and that relied mostly on rental housing. I focus on providing clean, safe & affordable homes with cutting edge amenities.

I am a licensed broker with Buffalo Niagara Association of Realtors (BNAR), a professional member of the National Association of Realtors (NAR) and a Business School Graduate of Cleveland State University.

Near and dear to my heart is the love of my life, my two daughters, my two Pugs and any free moment that I get to spend boating on a warm summer day.
